marijuana. On 5/1/19, Mr. Fitzpatrick admitted to PO Foster that he relapsed and had used crack cocaine and marijuana on several occasions.

**Violation of Special Conditions:**

- 2. You shall reside in a mental health and substance abuse treatment center as directed by the probation office for up to 6 months; Upon release you shall reside in a sober living facility and abide by all the rules and regulations as directed.**
- 3. You shall participate in mental health treatment as directed by the Probation Office.**
- 4. You shall participate in a program for substance abuse counseling as directed by the Probation Office, which program may include testing, not to exceed 104 drug tests per year.**

Between 4/29/19 and 5/1/19, multiple communications from Cole's Place revealed that due to Mr. Fitzpatrick's drug use, he would be discharged from Cole's Place and admitted to Hope Center, a higher level of care. Mr. Fitzpatrick was informed that the intent was to stabilize him, assess his commitment to sobriety and to formulate a plan for his release. Due to the length of his stay at Cole's Place (10/18-5/19), program rule violations including pressuring other residents for money, and not engaging with outside sober supports, Mr. Fitzpatrick was not going to be allowed to return to Cole's Place. PO Foster informed Mr. Fitzpatrick that if he remained sober, obeyed program rules at the Hope Center and continued to communicate with probation, every effort would be made to address his relapse from a therapeutic standpoint. Mr. Fitzpatrick failed to complete the intake and left the program against staff advice on 5/1/19.

The Probation Office intended to request a warrant, however, Mr. Fitzpatrick contacted PO Foster on the evening of 5/1/19. He explained that his anxiety was elevated when he fled the Hope Center, but he is aware that he made a poor choice in doing so. After leaving the program, Mr. Fitzpatrick boarded a bus to Boston, but took a return bus to Springfield almost immediately. It is his intention to stabilize at a local hospital and work with Behavioral Health Network (BHN) to see what programming remains available to him. The Probation Office is requesting a summons so that Mr. Fitzpatrick's non-compliance can be addressed with the Court.
